Date: 3/12/2025

Attention All.

I hope this message finds you well.

I am writing to inform you that after a thorough review and thoughtful collaboration, the Board of Directors at KH Academy has finalized updates to our Bullying Prevention Policy.

These revisions reflect our commitment to maintaining a safe, inclusive, and supportive environment for all students, staff, and families.

The updated policy includes clarified definitions of bullying, streamlined reporting and investigation procedures, and strengthened intervention and support measures. Importantly, the policy is fully compliant with Illinois state law, federal regulations, and the guidelines set forth by the Illinois State Board of Education (ISBE). As always, we remain committed to upholding a culture of respect, accountability, and safety throughout our academy. We appreciate your continued support as we work together to ensure KH Academy remains a place where every student can thrive.

Sincerely,

Deijja Hamilton

President, KH Academy
